

Members Information Booklet 2021

Where Riders & Ponies Learn Together

About Our Club

Corio & Moorabool Pony Club (CMPC) are part of Barwon Zone which is a member of Pony Club Victoria (PCV).

We are located at Elcho Park Equestrian Centre in Lara; the Centre is 30 hectares in size and has been ideally set up for horse riding. Our facilities include eight permanent surfaced dressage arenas, two sand show-jumping arenas, fenced areas, a cross country course which caters for Grade 6 to Grade 1 and 100+ horse yards.

We are also lucky to have wonderful club rooms with full amenities including toilets & showers and a commercial kitchen.

We pride ourselves on being a family orientated club that focuses on encouraging young people to ride and care for ponies and horses. We aim to promote the highest ideals of sportsmanship, citizenship and loyalty whilst encouraging friendship.

Our Pony Club caters for all levels of experience. Whether you are just starting out, or have been riding for years, CMPC has something to offer you.

We cater for children as young five years old riding on the lead right through to riders climbing up the grades representing the club at a state level.

Friday Fun Nights

As much as our members love riding together they also enjoy socialising without their ponies. To get to know each other and encourage friendships we host Friday Fun nights on occasions throughout the year. These are family friendly evenings and offer a variety of fun activities.

Camp

Most years CMPC hopes to organise a weekend camp for members and their ponies. These adventures have seen a range of activities including trail riding, taking the ponies for a dip in a dam, BBQ breakfasts and cooking marshmallows by the campfire.

Presentation Night

At the end of the year CMPC members enjoy a presentation night where many awards are given out and members get together over a dinner and some dancing.

We encourage you to check out our website and Facebook page for more information and browse through the many photos of our members having fun. If you join we also have a Facebook group.

<http://www.cmpc.org.au/>

<https://www.facebook.com/coriomooraboolponyclub>

Joining Our Club

To join CMPC we ask that you attend a rally day as a Come & Try rider. This involves bringing the horse and rider for the day so you can experience a Pony Club rally firsthand prior to joining.

During the Come & Try day the rules and requirements for joining Pony Club are outlined in an induction. Then the horse and rider are assessed for ability and safeness and to establish if we have a group suitable to join, if you choose to join our club.

The cost of the Come & Try day is \$50 which includes insurance for the day. If you choose to join, \$30 will be used to reduce your joining membership fee. If you would like to attend a rally as a Come & Try rider we ask that you contact our membership co-ordinator on members@cmpc.org.au where you will be guided through the process of registering for the Come & Try day and the Pony Club Victoria system.

For our club to continue to run effectively and efficiently, we rely on each family to help out throughout the year. As an acceptance of membership, we require that each family contribute a minimum of 20 hours per membership year assisting the club at our events.

Each year CMPC holds a number of events to raise funds for the club so there are plenty of opportunities to help out!

Most years our events consist of a Horse Trials, Dressage competition and a Show but may differ year to year.

These events can at times see over 300 people visit our club in a single weekend so can only be a success with the help from all our members. From gardening to helping out in the canteen every little bit of help goes a long way in making the Corio & Moorabool Pony Club the success it is.

Funds raised benefit all of our members and are used to subsidise instructor's wages in order to keep our club fees affordable for families, to purchase equipment, improve our grounds and purchase trophies and medals awarded to the children at the end of the year presentation night among other things.

Working with children's check

PCAV has introduced the requirement of any adult attending three or more rallies a year must obtain a Working with Children's check (WWCC).

Therefore we do require the WWC number/s on the application to join CMPC. Forms can be filled out online and then lodged at your local Australia post office. It is free for volunteers. See the following website for more information <http://www.workingwithchildren.vic.gov.au>

Rally Day

Rallies are held on the first Sunday of Each month from February – December.

Members will receive an email from the club secretary two weeks prior to rally asking for a reply if you will or will not be attending rally. This is essential for instructor bookings.

Rally plans, groups and other important information for rally day will be put up on our members Fb group, emailed to members and published on our website www.cmpc.org.au.

On the day, Members should arrive with their pony/horse with plenty of time to get ready. To share the work each family is given a job for the year, to assist in set up or pack up of rally day. Families may also be on a roster to assist with either pack up or set up of the arenas for the day, along with SJ pole pick up and canteen. The roster can be found on our rally plan which is emailed out and posted on Fb and webpage.

The rally plan will outline what time lessons start, lunch time and details about each lesson e.g. which arena to meet in for the lesson and the instructor.

We encourage members to utilise the canteen for lunch as this is another fundraiser for the club. We provide a variety of delicious lunch choices along with snacks and drinks.

Recently canteen has been changed to ordering prior to rally day. Instructions on how to purchase lunch will be explained in the rally plan.

CMPC have credit card and Eftpos facilities.

Gear Check is a requirement by Pony Club Victoria (PCV) to ensure that members are using safe, approved tack and uniform. Gear Check is done by the instructors in your groups prior to commencing lessons. Gear check must be done for every horse ridden on the day and must be recorded with the horse's full competition name.

Attendance cards

When a rider joins Pony Club they are registered with PCV and receive an Attendance Card. This card is updated at every rally they attend by the club Card Secretary. The card records the full competition name of the horse and is also updated with grading's and certificates the member has achieved.

The card needs to be handed in at the beginning of a rally day and taken home with you. When competing you need to take your card with you to the event so the event organisers can confirm the rider and pony combination details and grading level.

Each Horse must be registered with the club in order to have the Attendance Card completed correctly by the Card Secretary. It is important that riders identify their horse's full competition name at gear check or they may be marked incorrectly or absent on their attendance card.

In 2021 PCV introduced a virtual card which can be used in place of the actual card for events. This can be accessed through the PCV App.

Grading

For Pony Club events it is a requirement that rider/horse combinations are graded, alternately you can enter as Open (if available) and will be competing against other combinations not graded and possibly adults. Grading is done by the DC at rally. To be graded the combination must have attended 2 rallies. The grading may occur on the 2nd rally. If you wish to be graded we have 2 forms that are required to be filled out. Please email signed copies of the Grading Guideline Form and the Grading Request Form to the DC **two weeks prior to rally**. Both forms can be found on the website under the "forms" tab.

Certificates

Pony club members are encouraged to complete a series of PCV Certificates as they progress through Pony Club. These are designed so that club members undertake studies in riding, horse handling and horse care. There are eight standards or levels of efficiency.

Once a club member has successfully completed a certificate, they are issued with a coloured certificate disc which is mounted behind a rider's PCAV badge. Information about each certificate is on the PCV website. There are 11 certificate levels. The club concentrates on the first 4 for the children to achieve through the rally lessons. The first 4 certificates are:

Test	Suggested Age	Certificate Colours
E Standard	under 7	Pale Blue
D Standard	7 years	Yellow
D* Standard	9 years	Lime Green
C Standard	12 years	Green

Uniform

CMPC blue polo shirt or Long sleeve white shirt with burgundy & silver pony club tie.

(either of these 2 are compulsory for rallies and events)

CMPC Soft Shell Jacket with PCV logo & CMPC royal blue jumper (with light blue v-neck)

(either of these 2 are compulsory for rallies and events)

CMPC Navy Rugby (new for 2021) is suitable for rallies only - not to compete in events.

Jodhpurs - White/beige or plain black or plain navy. (White/beige are compulsory for events)

See page 10 for a Uniform price list.

*New members are not expected to have full uniform straight away- we allow three months to purchase uniform.

CMPC also have logo'd caps, knitted beanies and socks available in Child & adult sizes.

All riders wishing to ride on rally day (including Come and Try's) must always comply with safety regulations including correct and well fitted gear for the horse and wear riding boots, approved helmet, jodhpurs and a sleeved top (no singlets).

Full Pony club gear regulations can be found at <http://www.ponyclubvic.org.au>

Snacks

Chocolate Bars: \$1.00 & \$2.00

Icy Poles: \$0.50

Plus seasonal specials

CMPC Committee

Our DC and Chief Instructor organises our rallies throughout the year.

This includes booking the instructors, special guests and arranging the groups and order of the lessons.

CMPC have a committee consisting of President, Vice President, Secretary and Treasurer plus seven general committee members and the DC is automatically on the committee as a general member, totalling 12. The committee meets once a month at the clubrooms.

The Annual General Meeting (AGM) is held during the April rally with committee positions held for 12 months. A card secretary is required for the updating of the members cards each month. There is no requirement that this is a committee member.

The committee ideally also like to have a canteen coordinator, membership coordinator, and committees for each of the upcoming events that the club is holding. All of these positions are run with guidance and support by the committee. There is no requirement for these positions to attend the committee meetings.

CMPC are part of Friends of Elcho Park (FOEP). This is a committee consisting of members of CMPC and Westcoast Adult Riding Club (WARC) that share Elcho Park grounds. FOEP meet every second month making decisions affecting both clubs such as grounds maintenance, plant & equipment purchases and liaising with council.

The 2020-2021 CMPC Committee

Position held	Name	Contact
President	Adrienne Curran	pres@cmpc.org.au (p) 0413 486 282

For any uniform enquiries please contact Sam Reid 0468 301 591

Frequently asked Questions:

1. Can I bring my dog to pony club rally or pony club events?

No, dogs are strictly prohibited on the grounds or in cars.

2. Can I bring an extra horse or companion horse to rally?

Companion horses are not allowed.

You can bring more than one horse to ride at rally if you are going to ride each of them in a lesson.

Horses not being ridden in a lesson are not allowed to be brought along to rally.

If you bring more than one horse to ride at rally, while one is being ridden the other/s must remain in a yard.

3. Can other riders and horses ride at Elcho Park before and after rally.

Yes. CMPC has booked Elcho park on rally days from 8.00-4.00.

All horses not being ridden at rally must be off the grounds by 8.00am. Others can use the grounds after 4.00pm

4. If I suspect my horse is lame or sore, can I bring it to rally?

No, only fit and well horses are to be brought to rally.

If you are unsure about any situation, please speak to our DC or a member of our executive committee prior to rally for confirmation.

5. Can someone other than the financial member ride my horse at rally?

No- No one else other than the member riding the horse that rally is permitted to ride it, this includes parents and siblings.

Riders under 14 may have their horse lunged by a parent prior to lessons in an approved enclosed lunging area.
